## **Epicor Customer Drallim Industries Wins ‘Young Manufacturer of the Year’ at The Manufacturer Awards 2011**

***Named Finalist for IT in Manufacturing and SME Manufacturer of the Year Categories***

**LIVERMORE, Calif. and LONDON, November 15, 2011** -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organisations, today announced that its UK manufacturing customer, [Drallim Industries](#), has won the Young Manufacturer of the Year category of The Manufacturer Awards, held in Manchester on November 9. In addition, the company was a finalist in the IT in Manufacturing and SME Manufacturer of the Year categories.

Joe Miller, projects and purchasing assistant at Drallim Industries, was recognised at the awards for his professionalism and high level of responsibility at just 23 years old.

“We’re all tremendously proud of how well Joe has done up against so much competition from significantly larger organisations,” said Dave Mooney, managing director at Drallim Industries. “He is a real credit to Drallim.”

“To win this award and be recognised as a finalist in two other categories is a fantastic recognition of what Drallim Industries has achieved from a change management and technology perspective,” said Mark Hughes, sales director for Epicor. “The company has been transformed through acquisitions and technology changes, but has maintained extremely high standards throughout, never losing sight of its staff and customers. Congratulations to Joe Miller, managing director Dave Mooney, and all at Drallim Industries.”
