PC Sons Castings Selects Epicor to Support Business Growth***Indian Manufacturer of Castings and Steel Products Implements Epicor ERP***

LIVERMORE, Calif. and CHENNAI, India, February 20, 2012 -- [Epicor Software](#) Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced that Indian manufacturer PC Sons Castings Private Ltd has selected the Epicor next-generation enterprise resource planning (ERP) solution. Launched last year in India, Epicor ERP offers customers an adaptable business architecture that satisfies the needs of any enterprise regardless of country, industry, or access device, enabling business anywhere. The solution will be implemented by authorized Epicor partner [iData](#) Systemtech and Consulting (iData).

With ambitious growth plans in place PC Sons Casting is aspiring to become a global leader in its industry. "We have a large, scalable, facility located in Coimbatore and plan to implement Epicor across the supply chain and manufacturing processes to enable greater efficiencies, improved supply chain collaboration and integrated resource planning," said Senthil Kumar Chenniappan, director for PC Sons Castings. "We chose Epicor primarily because of its global best practice capabilities for the manufacturing industry. The implementation of Epicor is part of our long term plans to transform our organization from a local player into a highly competent global manufacturer that will continue to grow into the future."

iData, a boutique IT consultancy firm, is an authorized channel partner for Epicor in India. With skilled ERP consultants based in Chennai, iData focuses on helping customers achieve maximum efficiencies from their software solutions. "We are pleased to be an integral component of this ERP project," said Chakravarthy Perumal, associate director for iData. "Our core focus aligns perfectly with the Epicor solutions and we believe that their entry on the Indian market brings a much-awaited variety and competitiveness for mid market ERP."

"PC Sons Casting joins a large global group of companies that enjoy the ease of use, ability to adapt to business and industry-specific requirements, and the scalability of Epicor solutions, as their organization expands, changes, and grows," said Vineet Fogat, country manager for Epicor India.
