- Extended Education: Scheduling with Epicor ERP
- Extended Education: Updating and Creating Reports with Microsoft SQL Server using SSRS, Part 2
- Extended Education: What's New in Epicor 10.1 Financials Part 2

5/18/2015 18:00

- Welcome Reception

May 19 - Tuesday

5/19/2015 7:00

Breakfast

5/19/2015 8:00

Welcome and Keynotes

5/19/2015 9:30

Morning Break

5/19/2015 9:45

Cloud Deployed Epicor ERP – Tips, Tricks, the Road Ahead & Feedback.

CMS Roadmap - What does the future hold?

Epicor ERP Keynote and the Road Ahead

Kick Start the Conference Print and Pack Orientation

5/19/2015 10:45

Deploying Kanban Pull-Based Systems to Automate the Flow of Production; 8.x, 9.x, 10

Epicor ERP 10: Customization to the Max -- Client side

Epicor ERP 10: Migration Deep Dive

Epicor ERP 10: What's New for Manufacturing and the Road Ahead

Fundamentals of Purchasing Using Epicor ERP

Kick Start the Conference Enterprise (eBackoffice) Orientation

Kick Start the Conference Financials Orientation

Kick Start the Conference iSolutions Orientation

Lab: Customizing EPM

Lab: Epicor ERP: Fundamentals of Enhanced Quality Management; 9.x, 10

Lab: Epicor ERP: Fundamentals of Project Management and Project Billing; 8.x, 9.x, 10

Lab: Epicor ERP: Fundamentals of Scheduling; 8.x, 9.x, 10

Managing Sales Pipeline with Salesforce CRM integrated with Epicor ERP

Planning for a Successful Upgrade to Epicor ERP v10

Print and Packaging Industry Speaker

Up Close and Personal with Epicor Support

XL Connect for CMS - Complex Business Reporting Made Simple

Customer Presentation: Details to be confirmed. If you are interested in presenting, please contact Epicor.

5/19/2015 12:00

Lunch

5/19/2015 13:00

An Insight into EPR 10.1 for Financials users

Deploying Epicor Mobile in Manufacturing

Discover the combined value of ERP 10 and Mattec MES Integration

Eliminating Waste Through Lean Best Practices

Enterprise, E4SE, and Clientele Road Ahead

Epicor ERP 10: Manufacturing Operations: A Day in the Life in Epicor ERP

Epicor ERP 10: New eCommerce Offering: An Introduction to Epicor Commerce Connect for Epicor ERP

Epicor ERP 10: What's New in Epicor ERP Product Configurator

Epicor Support Services for iSolutions

IBM Guest Speaker

Lab: Advanced Epicor ERP: Field Service Contract Renewals and Deferred Revenue Accounting; 9.x, 10

Lab: Building and Deploying Dashboards for Supply Chain Management

Lab: Epicor ERP 10: Configuring the Epicor Homepage to Deliver the Information That Matters to Manufacturing Users

Lab: Microsoft Office SharePoint - Build and Deploy a SharePoint Site

Meet the Print and Packaging Product Team

Mobile Solutions for ERP

Print and Packaging Industry Speaker

Using The Replenishment Workbench in Epicor ERP

Virtualization Deep Dive for Epicor ERP

What's New in Manufacturing: 8.03.400 to Epicor ERP 10

5/19/2015 14:00

Accelerate Your Industrial Machinery Business Through Industry Deployment Models
Advanced Scheduling: Understanding the Methodologies and Advanced Features of Scheduling; 8.x, 9.x, 10
Customer Example: Epicor 10 Migration Experience
Delivering speed and automation - a look at the all new Cash Management (Purcell, Tom)
Drive New Business Performance with Epicor Enterprise (eBackoffice) Extensions (Review of all extend modules)
Epicor AFR 10 for Enterprise (eBackoffice)
Epicor ERP 10: Client Application Internals, Part 1 of 2
Epicor Print and Packaging Road Ahead
HCM for ERP
Improving Operations and Plant Floor Performance with Mattec MES
Lab: Business Activity Queries for Manufacturers; 8.x, 9.x, 10
Lab: Epicor ERP: Building and Deploying Dashboards for Manufacturers; 8.x, 9.x, 10
Lab: Epicor ERP: Fundamentals of Time and Expense Management; 9.x, 10
Lab: Epicor Mobile Dashboards
Lab: From FRx to Epicor Advanced Financial Reporting (AFR) for Enterprise (eBackoffice) Users
Lab: Using Excel for Simple Report Creation and Analytics with XL Connect
MRP and Scheduling Special Interest Group (SIG)
Road Ahead for Avante
Road Ahead for Manage 2000
Shipping Scheduler and Load Builder
Using Purchase Contracts and in Epicor ERP
What to Think About When Doing Business Internationally
Customer Presentation: Details to be confirmed. If you are interested in presenting, please contact Epicor.

5/19/2015 15:25

Accelerate your Electronics and High Tech Business Through Industry Deployment Models
Advanced Case Management: Think Outside the Box to better utilize the power of case management
AVP New Features
CMS 6.0 Key Features and Upgrade Experience (CMS Services & EUG - Speaker)
Configurator - Considerations for planning your move from E9 to E10
Epicor ERP 10: Client Application Internals, Part 2 of 2
