Ace Hardware of Titusville Propels Business Forward with Epicor Eagle N Series; Celebrates 50th Anniversary***Florida's "Space Coast" Hardware Store Implements New Retail Business Management Technology***

AUSTIN, Texas, December 30, 2014 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today extends congratulations to [Ace Hardware of Titusville](#) in honor of its 50th anniversary and recent upgrade to the [Epicor® Eagle N Series™](#) retail business management solution.

Ace Hardware of Titusville is an independently owned hardware store that provides consumers with products from top-of-the-line brands such as Oakley, Penn, Yeti, Weber Grills and Craftsman. Founded in 1964, the company has aimed to provide superior customer service anchored in advanced technology—selecting Epicor Eagle N Series software because of its intuitive platform with enhanced inventory control features, simplified workflows, and new business intelligence tools.

“As a user of Epicor Eagle solutions for more than 30 years, we’ve always been a small business on the cutting-edge of technology,” said Bill Pastermack, owner of Ace Hardware of Titusville. “Epicor Eagle N Series is another excellent tool to help us drive a world-class business. It’s an intuitive solution that gives us the business intelligence we need to plan, execute and measure every facet of our business -- from inventory control to analytics and more. We implemented the solution to help us continue to focus on serving our customers and drive our business forward.”

“This year we celebrate 50 years in operation. With our incredible commitment to the community and partnerships like the one we have with Epicor, we hope to see at least another 50 years of service,” said Pastermack.

The comprehensive Epicor Eagle N Series solution is designed to give independent retailers the information required to improve results, outservice the competition, and ultimately run their business efficiently. The new solution, [launched in August 2014](#), extends the Epicor Eagle business management software by marrying the platform’s rich feature set and advanced business intelligence tools with a completely redesigned and simplified user interface.

“Fifty years is a significant period of time in the life of a retailer,” said Craig McCollum, executive vice president and general manager, retail distribution solutions for Epicor. “Ace Hardware of Titusville is dedicated to serving its customers in all aspects of their business and we are proud to be a part of

their history and go-forward strategy. We congratulate them for achieving this milestone and anticipate more success in the future.”
