All recipients, a mixture of both new and long term partners, were selected by Epicor based on exceptional performance in market growth, customer satisfaction, total sales and overall commitment to Epicor solutions. Partners are recognised for excellence in growing their Epicor customers through innovation in business and technology. Winners have enabled their customers to compete in today's global economy by setting them up for success. The award winners are:

#### **Business Transformation Award**

- [Biscit](#) for undertaking a project for [Varley Group](#) to create Australia's first fully online automated electric vehicles web store, transforming their business by enabling sales to complete in just five minutes

#### **Customer Experience Award**

- [Athens Technology Centre](#) for transforming [Postbank Bulgaria's](#) customers' experience through the implementation and deployment of a new Epicor solution ERP for Banking

#### **Rapid Time to Value Award**

- [Tru Care Consultants](#) for outstanding commitment in the fast implementation of Epicor ERP10 for [United Crane Components](#) so that it was prepared, implemented and fully compliant with India's new Goods and Services Tax (GST) within just two months

### **Technology Innovator**

- [Biscit](#) for using technology to drive innovation throughout the customers' business by creating a mobile application for the management of logistics and warehousing scanning operations and a module to manage the hire and rental of equipment, both fully integrated with Epicor ERP

### **Rising Star**

- [EpicERP](#) from their inception EpicERP recruited a fully functional team and carried out their own marketing, presales, sales and implementations, since then they have excelled in creating their own pipeline in sales and marketing, and implementing successful projects in their first year of business

### **Partner of the Year**

- [DataWorld Solutions](#) for achieving substantial growth in its existing customer base and driving new revenue growth through new customer acquisition

"Our international partners are a fundamental part of our business, which Epicor continues to invest and drive growth in. The Partner Excellence Awards give us a chance to recognise and reward the best performers. We consider these award winners 'Grow Getters' as they have not only excelled in growing their business through innovation using Epicor technology, but also enabled their customers to grow," said Sabby Gill, executive vice president, international, Epicor Software.

He concluded, "The digitisation of our world represents a tremendous change for all industrial sectors. Customer centricity and the emergence of new business models need flexible and agile value creation networks. The partners honoured by the Epicor Excellence Awards are at the forefront of this, leading their customers through transformation and into growth with Epicor solutions."

The awards took place as part of the annual Epicor Momentum Partner Conference, a three day event that brings together channel partners for all Epicor solutions and services. The event provides a mix of education and networking, providing partners with the opportunity to maximise their investment in their Epicor partnership. This year's conference took place at the Waldorf Astoria Dubai Palm Jumeirah in Dubai, United Arab Emirates.
