

FOR IMMEDIATE RELEASE

Epicor to Hold LBM and Wood Products User Conference***Customers to “Get Jazzed” in New Orleans on November 4th and 5th***

AUSTIN, Texas, October 20, 2014 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced that it will host the Epicor [LBM and Wood Products User Conference](#) at the Hyatt Regency in New Orleans, Louisiana on November 4-5, 2014. Over 400 Epicor customers are anticipated to attend the conference in the Big Easy to gain hands-on education, explore new strategies for solving business and economic challenges, and discuss emerging industry and business trends.

The Epicor Lumber and Building Materials (LBM) management team, account managers, support representatives and members of the training team will be on hand to teach classes, interact with customers and demonstrate the latest in LBM and wood products technologies. During the two-day event, customers will have numerous opportunities to network with peers and learn industry best practices. Through educational tracks on the Epicor solutions they use, plus exploring new technologies and products, attendees will gain techniques to drive business performance and productivity.

The conference keynote will be given by Rick Davis of [Building Leaders Inc.](#) Davis is a contributing editor to *ProSales Magazine*, and is the author of “Strategic Sales in the Building Industry” and “The Sales Secret.” His keynote is titled, “The Offensive Playbook of Business,” and will illustrate how dealers can use IT resources to measure and identify the key behaviors that lead to sales success.
