### Epikor Announces the 2017 Customer Excellence Award Winners for South Africa

#### *Organisations Recognised for Business Transformation with Epikor Solutions and Services*

Epikor Software Corporation, a global provider of [industry-specific enterprise software](#) to promote business growth, announced today, at the local Epikor Customer Summit in Johannesburg, the regional winners of the 2017 Epikor Customer Excellence Awards programme for South Africa. The [global awards programme](#), now in its second year, recognises innovative organisations that have successfully transformed operations by deploying Epikor solutions and services to achieve excellence in business efficiency, customer experience, and overall performance.

Epikor Customer Excellence Awards programmes are run in the Americas, Asia Pacific, the UK, the Middle East and South Africa. The regional programme winners are also now finalists in the global awards programme categories for overall “Customer of the Year”, with winners to be announced later this year after all the regional awards programmes have concluded.

“Our customers continue to leverage technology to streamline and automate their operations, increase employee engagement, drive change management, improve customer satisfaction and expand their business, not just in the region, but across the globe,” said Monzer Tohme, regional vice president, Middle East and Africa, Epikor Software. “We are always delighted that our customers have decided to partner with Epikor, and proud of the role our enterprise resource planning (ERP) solutions play in helping support their growth ambitions, and assist in transforming their businesses.”

The following companies are 2017 Epikor Customer Excellence Award winners in South Africa:

- [Professional Shopfitters](#) is the **Business Transformation** winner, chosen for implementing Epikor ERP successfully—using the technology to transform its entire business

- The winner in the **Technology Innovator** category is [Mustek Limited](#). The organisation was selected for demonstrating how it has used technology to drive innovation throughout its business to achieve measurable success
- [Bakers S.A.](#) won the **Rapid Time to Value** award for demonstrating a fast implementation and deployment of Epicor ERP through motivated project teams, efficient and effective staffing, training, and production readiness
- The winner in the category for **Cloud Deployment** is [Tekco Packaging](#) who demonstrated measurable business benefits with Epicor Cloud ERP.

Award entries were judged by the complexity of the project, including what business areas were impacted by the scope of the project. Clearly stated objectives included why each initiative was started, what the deliverables were, how each entrant defined success, and how the Epicor implementation helped the business achieve its pre-determined goals and KPIs.
