Epicor Eagle N Series Receives Top Honors in the 2015 IT World Awards

Hot Companies and Best Products Category Winners Honored by Network Products Guide at Awards Ceremony in San Francisco

AUSTIN, Texas, July 16, 2015 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced that [Epicor® Eagle N Series™](#) retail business management software has been named a Gold winner in the 2015 IT World Awards in the category of *Best New Product*. [Network Products Guide](#), a leading technology research advisory guide, recognized winners in an awards ceremony held in San Francisco, California on June 29, 2015.

Epicor Eagle N Series software was selected a Gold winner for its leading technology for small to midsized retailers. The next-generation [Epicor Eagle](#) point of sale system makes it easier for businesses to outservice their competition and deliver more personalized customer service. By leveraging wireless and mobile tools, special order processing, and integrated inventory management, purchasing, and receiving -- retailers have access to the information they need to make faster, more informed decisions.

An annual achievements and recognition awards program with active participation from a broad spectrum of industry voices, the coveted annual Hot Companies and Best Products program recognizes the world's best in organizational performance, products, services, and hot technologies in every area of information technology.

"It's an honor to be a recipient of the 2015 IT World Awards," said Craig McCollum, executive vice president, Americas for Epicor. "Epicor Eagle N Series software was developed to help drive small to midsized retail businesses forward with efficient, affordable, and intuitive technology to effectively manage business operations. This award is a testament to our commitment to customers' needs and to our influence in the market."
