Epicor Payment Exchange Exceeds \$3 Billion in Payment Processing Volume

The Nilson Report Names Epicor Payment Exchange as One of the Fastest-Growing Acquirers in U.S.

AUSTIN, Texas, March 31, 2015 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced [The Nilson Report](#), the industry's most trusted source of payment news and statistics worldwide, has released its *Top Merchant Acquirers in the United States* report¹ in its 2015 *Merchant Acquirer* issue - revealing that the Epicor Payment Exchange solution is the nation's fastest organically grown payment processor for the second consecutive year.

With over 50 million transactions and \$3 billion in payment card volume under management, [Epicor Payment Exchange](#) is a complete processing solution for Epicor customers, offering innovative point of sale acceptance solutions for mobile, eCommerce and brick-and-mortar businesses.

"Epicor Payment Exchange simplifies an integral element of our business -- payment processing," said Tony Rogelstad, owner of [Brentwood Ace Hardware](#). "Payment processing is a central function in every business and if it's not done right, you lose out on a lot of time and money. Thanks to Epicor Payment Exchange we processed nearly \$8 million in credit card transactions through our business last year. We couldn't be happier with the simplicity and accuracy of the solution, but on top of that we are saving approximately \$30,000 annually in transaction fees."

"Payment processing is a necessary aspect in each and every business," said Matt Mullen, vice president, product and commerce solutions for Epicor. "Epicor Payment Exchange was launched just three years ago and is already significantly refining payment operations in nearly two thousand businesses. This rate of growth doesn't occur by chance, it's because of the value of our offering. Combining payment processing with market-leading Epicor business software and technology solutions creates tremendous ROI for our customers. *The Nilson Report* ranking and recognition of our rapid growth is evidence of the value we are bringing to our customers and the marketplace."
