Epicor Featured in the 2016 CRN Cloud Partner Program Guide

Industry Guide Highlights Leading Cloud Partner Programs

Epicor Software Corporation, a global provider of [industry-specific enterprise software](#) to promote business growth, announced today that [CRN®](#), a brand of [The Channel Company](#), has recognized the Epicor Partner Network in its 2016 Cloud Computing Partner Program Guide, a list of leading technology vendors with cloud-related partner programs that enable and accelerate the growth of solution providers' cloud initiatives.

The [Epicor Partner Network](#) provides a solid foundation for partners who are committed to excellence and customer satisfaction. It is comprised of over 400 resellers that partner with Epicor to deliver solutions, services and consulting worldwide. The Epicor ERP platform is architected for both on-premises and cloud environments, providing partners maximum flexibility to meet the deployment preferences of their customers.

The [CRN 2016 Cloud Computing Partner Program Guide](#) serves as a valuable resource for solution providers navigating the booming cloud marketplace, helping them to identify technology suppliers that offer innovative cloud solutions and partner programs. To qualify for participation in the Cloud Partner Program Guide, technology vendors must have a unique set of partner program benefits for solution providers that deliver cloud infrastructure or applications.

“For channel partners, active support for their cloud-based solutions is more critical than ever,” said Robert Faletra, CEO, The Channel Company. “CRN’s 2016 Cloud Computing Partner Program Guide recognizes vendors that provide excellent resources, training and financial incentives for cloud, doing their best to help partners make the most of this now foundational practice area. We congratulate all the innovative, forward-looking companies on the 2016 list and invite the solution provider community to take full advantage of this terrific resource for finding the right cloud vendors to partner with.”

“We are honored to be listed in the 2016 Cloud Computing Partner Program Guide,” said Craig McCollum, executive vice president, Americas, Epicor Software. “The Epicor Partner Network is

“We are honored to be listed in the 2016 Cloud Computing Partner Program Guide. The Epicor Partner Network is comprised of specific programs designed to cloud-enable existing and new partners to address the growing demand for cloud and hybrid environments.”
