Epicor Solutions Advance to Finalist Round in 2015 American Business AwardsSM

13th Annual Stevie[®] Awards for New Products and Technology Will Be Presented On September 11 in San Francisco

AUSTIN, Texas, June 24, 2015 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced the company has achieved finalist status in three categories of the 2015 American Business Awards (ABA): Epicor for *Company of the Year – Computer Software*; Epicor Data Security Review for *Business-to-Business Services*; and, Epicor ERP version 10 Social Enterprise for *New Product or Service of the Year - Collaboration/Social Networking Software Solution*.

The American Business Awards are considered the nation's preeminent business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small. The awards will be presented at two awards events: the ABA's traditional banquet on Monday, June 22 in Chicago and the new product & technology awards event on Friday, September 11 in San Francisco.

2014 was a year of pronounced developments for Epicor. Evident in the newest [release](#) of Epicor ERP version 10 Social Enterprise, Epicor continues to bring innovative next-generation business software solutions to the market that leverage the latest technology. Additionally, the Epicor Data Security Review is a recently [announced](#) data protection service designed to help independent retailers -- leveraging the [Epicor Eagle](#) retail business management solution -- mitigate the risk of a data breach through improved protection and management of business and customer data.

“So many fascinating and inspiring stories of success were submitted to the ABAs this year,” said Michael Gallagher, president and founder of the Stevie Awards. “We congratulate all of our 2015 Finalists on their achievements.”

“It's an honor to be recognized as a finalist in three distinct categories of the Stevies Awards,” said Janie West, senior vice president and chief product officer for Epicor. “This past year we further extended the flexibility and capabilities of our technology solutions and services to better serve our customers. This acknowledgment is a testament to our continued focus on delivering innovation and customer service excellence.”
