**Epicor to Showcase Next-Generation ERP at ADIPEC 2014*****Enterprise Resource Planning Solution Helps Improve Efficiency  
And Profitability for Oil & Gas Companies in the Middle East***

**United Arab Emirates, November 9, 2014** -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced that it will showcase the latest version of its award-winning enterprise resource planning (ERP) solution Epicor ERP version 10, at the Abu Dhabi International Petroleum Exhibition and Conference (ADIPEC). The conference will be held from November 10<sup>th</sup> to 13<sup>th</sup>, 2014, at the Abu Dhabi National Exhibition Centre (ADNEC). The theme for ADIPEC 2014 is 'Challenges and Opportunities for the Next 30 Years' and the conference's patronage is H.H. Sheikh Khalifa Bin Zayed Al Nahyan, President of the UAE and Ruler of Abu Dhabi.

Combining a visionary blend of rich global functionality with agile technology to enable more collaborative power, Epicor ERP version 10 is responsive and easy-to-use. The next-generation tools and functionality within Epicor ERP 10 gives Oil & Gas companies a technology platform to conduct business at any time on any device from anywhere in the world. It supports their growth and expansion into new markets, encouraging them to connect with their customers, partners, employees and products in new and innovative ways. Epicor ERP also helps organizations that supply products and services to the energy sector to adapt to industry changes, meet customer expectations, and address market conditions.

"Due to their multi-dimensional aspects, ERP solutions have become vital to the success of the Oil & Gas industry," said Anish Kanaran, Channel Director for Epicor in the Middle East, Africa & India.

"Conferences such as ADIPEC offer an ideal platform for professionals from the Oil & Gas industry to not only network but also to get deeper insight about the latest technologies and solutions that can improve operational efficiency and enhance business process integration. With cutting-edge ERP solutions specially designed to address the needs of the industry, Epicor is proud to participate in ADIPEC 2014.

He concluded, "Our regional headquarter for the Middle East, Africa and India is located in the UAE, and it's one of our key markets, making our participation at the event all the more important. Epicor has worked with some of the GCC's leading Oil & Gas companies and our presence at the show will enable us to meet existing customers as well as make new connections. We are confident that our solutions will help the industry to improve collaboration, increase agility and responsiveness, and reduce complexity."

Epicor will be present at Stall 14134 in Hall 14 of ADNEC (Abu Dhabi National Exhibition Centre), Abu Dhabi, UAE.
