

FOR IMMEDIATE RELEASE

**Epicor Named Most Innovative Business Software Provider
in Texas by Corporate America Magazine*****Leading Business Publication Recognizes Epicor's Market Leadership
in its Annual Software & Technology Awards Program***

Austin, Texas, December 17, 2015 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organizations, today announced it has been named a winner of Corporate America's Software & Technology Awards 2015. The company was recognized as the "Most Innovative Business Software Provider – Texas."

"Epicor is honored to be recognized as the most innovative business software provider in Texas and proud to call the great state of Texas 'home' for its corporate headquarters," said Kathy Crusco, chief financial officer at Epicor. "Epicor has always prided itself on its focus on innovation and designing business software that is elegant in its simplicity, to help reduce complexity and improve performance."

Corporate America is the definitive magazine for CEOs, top-tier management and key decision makers across the United States. The 2015 Technology & Software Awards are dedicated to bringing to the forefront the most technologically ground-breaking, user friendly and results-driven industry leaders operating in the U.S. today. The awards shine the spotlight on the cutting edge individuals, departments and firms who, through their commitment, experience and willingness to push the boundaries of business-based technology, will shape and enhance the American business landscape for years to come.
