Epicor Announces Two New Executive Leadership Appointments to Take Company through Next Phase of Growth

David Mehok Named as Chief Financial Officer and Clarke Pich Named as Head of Global Professional Services for the Company

Epicor Software Corporation, a global provider of [industry-specific enterprise software](#) to promote business growth, today announced two new appointments to the executive leadership team. David Mehok joins Epicor as chief financial officer and Clarke Pich takes on a new role as head of global professional services for the company. Both Mehok and Pich will assume their roles effective immediately and report directly to Epicor Chief Executive Officer Steve Murphy.

“These new additions to our executive leadership team will be instrumental in driving the culture of growth, investment and customer centricity that is our focus,” Murphy said. “The Epicor board of directors and I are confident that David’s strong background leading global finance organizations and Clarke’s expertise in enterprise software services sales and cloud implementations will position Epicor to achieve our objectives. The business skills they both bring will help Epicor on our next phase of growth and strategy to make it easy for our customers to stay current on technology upgrades, move to the cloud, and drive digital transformation as we help them grow.”

Mehok is a highly driven finance executive with more than 20 years of experience leading global finance organizations. He brings to the CFO role a proven track record of dramatically improving business results, leading large and small teams, formulating and driving critical business strategies, and improving controls. Mehok most recently was the CFO for Austin-based CLEAResult, the largest provider of energy efficiency programs and services in North America. Prior to that he spent 18 years at Dell in a
