

FOR IMMEDIATE RELEASE

**Epicor Customer Hayward Tyler Wins at
Logistics Business IT Awards 2014*****Applauded For Its Business Achievements Through the Use of Epicor ERP***

LONDON, UK, November 19, 2014 -- Epicor Software Corporation, a global leader in [business software solutions](#) for manufacturing, distribution, retail and services organisations, is thrilled to extend its congratulations to Hayward Tyler as a winner of the Logistics Business IT Awards 2014 in the Manufacturing & ERP Software category. The company, which specialises in designing and manufacturing mission-critical pumps and motors for nuclear and conventional power station globally, was applauded for its implementation of the [Epicor ERP](#) next-generation enterprise resource planning (ERP) solution, and the results achieved for the business.

As just one example, using Epicor ERP Hayward Tyler has seen its on-time delivery metric improve from 20% to an average of 70% in the first year at its main Luton facility, and now it consistently hits 90%.

“We’ve achieved some great results and believe there is more Epicor can do for our business,” said Keith Herring, head of IT at Hayward Tyler. “An ERP project never really ends, you have to keep looking for efficiency improvements.”

Epicor ERP gives companies a technology platform that can inspire them as they conduct business today and in the future -- on any device, anytime, anywhere in the world. It is an enterprise solution that supports growth and expansion into new markets, encouraging companies to connect with their customers, partners, employees and products in new and innovative ways.

“Companies change shape all the time, and that means there are always tweaks that can be made to the ERP systems to gain that extra piece of insight and efficiency,” added Steve Winder, regional vice president for Epicor in the UK and Ireland. “Hayward Tyler understands this and through its use of a continuous improvement program, with Epicor ERP at its heart, they are able to monitor performance and make those changes quickly. Congratulations to all at Hayward Tyler for having your achievements recognised in this way.”
